5th July 2024

Certificates

K'sharn	Caught being good: for doing a great job and taking her librarian role very seriously
Libby	For always lending a helping hand to those in need!
Fraser	Caught Being Good for consistently having a positive attitude towards learning!
Mekayla	For a fantastic effort in handwriting.
Aubree	Caught being good: for outstanding leadership on Thursdays when our Tuakana are at tech.
Rimu	For leading by example in Kapa Haka, and for being a great tuakana to our teina!
Kobi	For his dedication and effort in Kapa Haka
Mekayla	For her dedication and effort in Kapa Haka

Cluster Matariki 27th June

What a wonderful day. We are so proud of our tamariki for the way they participated in the powhiri and the kapa haka was amazing. We would like to thank all the parents and caregivers that helped out in anyway at the marae. You were an amazing team! A special thank you to Ken, Catherine and Jesse for their help and support before, during and after the event! A huge thank you also to Whaea Rawina for your patient and kind tuition of our tamariki.

Playground bark

We have had a truck load of bark dropped in the playground areas. Which will be spread in the high fall areas. Please keep an eye on the school over the holidays as we really do not want it all over the school grounds.

Building project

We have had notification that our much anticipated building project will get underway in the near future now that extra Ministry of Education funding has been secured. Our kura will have the main block and the library reroofed and new joinery installed. The toilet block will be upgraded and will include a reconfiguration that will also add an extra multi-purpose breakout

space. We will work with the project manager to ensure the least possible amount of disruption to learning during the construction.

ERO

Leo Franks is our review partner from the Education Review office. He will be visiting our school on August the 28th and 29th. The purpose of the ERO is to evaluate and report on the education and care of learners in our kura. This process identifies areas of good performance and future growth.

Career Expo

Ruma Tuakana will be attending the Taranaki Careers Expo in New Plymouth on the 12th of August. This is a great opportunity to expose our learners to a wide range of career opportunities.

Cross Country training

This term is Tainui Cluster Schools Cross country at Mimitangiatua School. We will be training daily in Term 3. The cross country will be held in Week 5 on the 23rd of August. We will be transporting the kura to this event by bus. Further information will be sent out next term.

School reports

School reports have gone home with this newsletter. Please remember we are always happy to discuss your child's learning and finding ways we can work together to support our learners. Please phone the office if you would like to organize a meeting with your child's teacher.

School Vision

Thank you again to those who took the time to give their feedback to help us refresh our vision to reflect our community's aspirations for our learners.

After collating all of the feedback the Board worked together to refine the school vision. The Board carefully considered wording that would reflect the feedback received and here is the revised school vision.

Growing and nurturing respectful, confident individuals who strive to achieve their full potential.

Dates to remember

July

5th Last day term 2

22nd Start of Term 3

29th Board Meeting @ School 7pm

August
